

# Pathway: Quality Control Scientist

I don't have much Quality Control experience

free - £3.3k

<p><b>CGT Catapult videos free</b> ELISA</p> <p><b>2d f2f £1.5k</b> Principles and applications of flow cytometry for therapeutics</p>	<p><b>UoM online free</b> Flow Cytometry</p>
<p><b>Cytiva online 1.5h free</b> Western blotting Single-cell analysis Surface Plasmon resonance</p>	<p><b>NIBRT online/F2F £1.5-3.3k</b> Intro to QC testing QC Micro skills for BioPharma Glycan characterisation</p>
<p><b>Miltenyi 35m video free</b> Automated cell counting with flow cytometry</p>	<p><b>Informa 4d virtual £1.8k</b> Intro to CMC Analytics</p>
<p><b>NHC videos free</b> Analytical 'how to' series Chromatography 'how to' series Mass spectrometry Mass Spec</p> <p><b>2d F2F £2.3k</b> Flow cytometry for ATs</p>	

I already have Quality Control experience

free - £3.7k

<p><b>CGT Catapult videos free</b> Fortessa X-20 flow cytometer Miltenyi MACSQuant 10 flow cytometer</p>	<p><b>Informa 2-5d virtual £1.8k</b> Adv CMC Analytics Regulations, Characterisation and Comparability for ATMPs Bioanalytical Assay Lifecycle</p>
<p><b>Cytiva online free</b> ALIAS autosampler Biacore 1 series SeR systems Biacore Insight evaluation software</p>	<p><b>Inspired Pharma 3d £2k</b> QP pharmaceutical quality systems</p>
<p><b>Miltenyi 30m-1hr videos free</b> Automated cell counting with flow cytometry Automated manufacturing of CAR NK cells Automated stem cell manufacturing, analysis &amp; sorting for clinical applications Compensation of spectral overlap in flow cytometry Enabling new cell therapies with GMP-compliant multiparametric cell sorting Enhance T cell flow analysis in immuno-oncology GMP-compliant multiparametric cell sorting</p>	<p><b>ISPE online £100-£2k</b> Quality Management Systems</p> <p><b>NIBRT 45m online £145</b> Application of Single-Use Technologies</p> <p><b>NSF virtual classroom- £3k</b> Analysis and testing – 5d</p> <p><b>Pathwise online £300</b> Analysing your data – Webinar Avoiding drift in your GLP protocol</p> <p><b>Process Insight 8d online/F2F £3.7k</b> Lean Six Sigma – Data Analytics</p>
<p><b>RSSL webinar free</b> EU GMP Annex 1 - the focal points</p>	<p><b>UCL 3d F2F £1.8k</b> Adv data analytics for biopharmaceutical optimisation</p>

For those new to ATMPs or without much GMP experience, refer to pathway for Quality Control Technician
